## Housing and Communities Support for Georgia's Seniors

Researchers at CATEA (Center for Assistive Technology and Environmental Access), part of Georgia Tech, are inviting people who **live in Georgia, are 60 and older and have lived in their current community for more than 1 year** to participate in a survey. The survey is about the activities you do in your home environment and your community environment. It will take about **30 minutes** to complete.

If you would like to take part in this survey,  
Please contact us at **(404) 894-4960** or  
Email Dr. Swartz at [traci.swartz@coa.gatech.edu](mailto:traci.swartz@coa.gatech.edu) or  
Dr. Yang at [hsiang-yu.yang@coa.gatech.edu](mailto:hsiang-yu.yang@coa.gatech.edu)

The survey is also available online at the following link:
